Cocteau Twins

Every week, move is small When he cared, when he did love When he knew, when he'd fall I hear she'd fall, ha, she fell Hear she'd fall, ha, she fell

Every week, move is small When he cared, when he did love When he knew, when he'd fall I hear she'd fall, ha, she fell Hear she'd fall, ha, she fell

Every week, move is small When he cared, when he did love When he knew, when he'd fall I hear she'd fall, ha, she fell Hear she'd fall, ha, she fell

Fallen on, fallen on, fallen on, do we? Fallen on, fallen on me

Fallen on, fallen on, fallen on, do we? Fallen on, fallen on me

Fall

Fallen on, fallen on, fallen on, do we? Fallen on, fallen on me
