Frosty The Snowman

Cocteau Twins

Frosty the snowman was a jolly happy soul With a corn cob pipe and a button nose And eyes made out of coal

Frosty the snowman is a fairy tale, they say He was made of snow, but the children know That he came to life one day

There must have been some magic in that old silk hat they found For when they placed it on his head, he began to dance around

Frosty the snowman was as live as he could be And the children say he could laugh and play Just the same as you and me

Frosty the snowman knew the sun was hot that day So he said 'Let's run and have some fun, now Before I melt away.'

Down to the village with a broom stick in his hand Running here and there all around the square Saying, 'Catch me if you can!'

He led them down the streets of town right to the traffic stop He only paused a moment when he heard them holler 'Stop!'

Frosty the snowman had to hurry on his way But he waved goodbye saying, 'Don't you cry I'll be back again, someday.'

Frosty the snowman was as live as he could be And the children say he could laugh and play Just the same as you and me

Frosty the snowman knew the sun was hot that day So he said 'Let's run and have some fun, now Before I melt away.'
