

## Garlands

Cocteau Twins

Garlands evergreen  
Forget-me-not wreaths  
Chaplets see me drugged  
I could die in a rosary  
Die in a rosary  
Die in a rosary  
Die in a rosary  
Die in a rosary

Well, with these brave garlands  
They never find out for her  
They never find I'm lying  
Well, with these etchings  
Cravings convince  
My cravings commence

Garlands evergreen  
Forget-me-not wreaths  
Chaplets see me drugged  
I could die in a rosary  
Die in a rosary  
Die in a rosary  
Die in a rosary  
Die in a rosary

Well, with these scarve's scars  
Cravings convince  
My cravings commence  
Well, with these splint's scars  
I'm all that to you  
I'm all that's who
