First, he's inched her latch down
Anxious, her hand begs, and now my distraction
Distraction
I will learn, To focus on
Oh, you hoo hoo..., Cause you won't

Recognize it, stablize it Things take-take me To exception look for respect Respect Down- down there You're not a nice track footfall Will we still hold, rain Things we couldn't do Strive, for me to leave Rights of her, Rights Treasure her, treasure Her freshness First He's inched her latch down Anxious Oh, her hand begs And my distraction Distraction I will learn to, I will learn Focus on you, to focus on You hoo hoo... Cause you won't

Recognize it, recognize Stablize it, stablize it He even finds a way Supreme, man improves Lkie what might see Her life for everyone Will it still hold Rain Things we couldn't do Strive For me to give Rights of her Rights Treasure her Treasure Her freshness I will learn To focus on you You hoo hoo... Cause you won't
