## **Pink Orange Red**

## **Cocteau Twins**

He draws his horses Pretend that you're anger And draws his horses Being chosen also

Please get up Fall, please get up Fall, please get up Don't ruin yourself

Please get up Fall, please get up Fall, please get up Don't ruin yourself

So see and hear Sultitan itan So see and hear Plain tiger iger

In my heart Set you right up In my heart I sing this song

Back you up How messed I am Back you up I consider

So he got up I must see him I must see him And all got up

Sore got he Apalled got up Apalled got up I'm in this song

So see and hear Sultitan itan So see and hear Plain tiger iger
