

Unclean Spirit

Code Orange Kids

There is nothing more that drains me than the tasteless contact
that the night brings
It is vapid and forceless
Your skin corroding, my morals left me alone here
The pain my body feels means nothing
Nothing

The awakening of my spirit means everything
Reflect inward without emotion

My body is conscious
My spirit is unclean
My body is conscious
My spirit is unclean
I am no longer fulfilled
Satisfy me

My body is conscious
My spirit is unclean
I am no longer fulfilled
Satisfy me

I am no longer fulfilled
My body is conscious
My spirit is unclean
I am no longer fulfilled

Satisfy me
Satisfy me
