

Promise of Love

Codeine

If I could be the angel
If I could be the prettiest girl
I'd stand between you
And the rest of the world

If I could be your sun
If I could be your stars
You could never disappoint me, because
Your who you are

If I could be the angel
If I could be the prettiest girl
Every tear you've ever cried
Would all be turned to pearls

I I could be your sun
If I could be your stars
You'd be safe from harm
No matter where you are

And the bells
Will ring for you
