

# The Day That Doesn't End

Codeseven

Never mind the killing I'm making  
Never mind the mistakes I've made  
I never said that the killing was easy  
or how deep to dig a grave  
Cauterize caught her eyes  
With a blank expression  
From across the room  
I'm a mess, I confess  
That I'm already wasted  
Broken heart drunk and high  
On the fumes  
I'm not giving it away  
I'm not kidding when I say  
it began like it always begins  
On another summer day that doesn't end  
It began when we said, "let's be friends"  
And my busy head started to spin  
wait, wait, wait  
Don't hesitate to call me out  
If I'm not in line  
It feels so great  
To be engaged in a war with you  
When the spoils are mine  
Cauterize caught her eyes  
With her full attention  
Nothing else to loose  
I'm a mess and I guess  
That you're probably taken  
Breaking hearts that get high  
On perfume  
I'm not giving it away  
Say something, I can't wait  
I'm not giving it away  
I'm not kidding when I say  
it begins like it always begins  
On another summer day that doesn't end  
It began when we said, "let's be friends"  
And our busy head's they started to spin
