

## Another Try

Cody Johnson

Well I'm tired of feelin down  
And I'm tired of spinnin around  
Oh and I feel sick and tired of pickin out the same old  
sounds  
I'm givin up on believin  
Ta hell with it all, I'm leavin  
I just hope your memory don't somehow track me down

Cause I been stayin up  
Talkin to myself  
I pull this bottle of 86 proof off of the shelf  
One thing I know is I really need some help  
I been broken down to many times  
So I'll be Damned if I give Love another try

I'm gettin used to being alone  
I always wind up right here on my own  
If it weren't for my friends I don't think I'd even  
have a home  
You taught me so many things  
How not to trust and how not to believe  
And you taught me how to walk away  
when you gave me back my ring

Cause I been stayin up  
Talkin to myself  
I pull this bottle of 86 proof off of the shelf  
One thing I know is I really need some help  
I been broken down to many times  
So I'll be Damned if I give Love another try

And like a hand in a fire  
You'll only do it one time  
Baby you can think what you want when I tell you I'm  
doin fine

Cause I been stayin up  
Talkin to myself  
I pull this bottle of 86 proof off of the shelf  
One thing I know is I really need some help  
I been broken down to many times  
So I'll be Damned if I give Love another try

Oh Another Try  
Not Another Try
