

I Don't Care About You

Cody Johnson

Here's the truth, I refuse to argue with you baby
can't tell you what to do but I'm not some johnny come
late

So there's the door you can walk right through
Cause tonight I don't care about losing you

Oh tonight I don't care about trying to make things
right

and I'm just not in the mood and I'm damn sure not
gonna fight tonight
and if this is some kind of premonition of how it's
gonna be with you
I'm out, I'm done baby I'm through 'cause tonight I
don't care about you

So there it is, that's all that needs to be said baby
I don't care about your friends and what they seem to
think that you need lately
If you don't want to believe me, I guess I'm every bit
of the jerk that you say I am
but tonight I don't give a damn

Well it's not to say that tomorrow morning I won't
change my mind
but tonight you better listen to my warning I need a
little time

there it is that's all that needs to be said baby
