

# Happy Lil' Hippie

Cody Simpson

She says she don't watch the news  
it's all bad, it's all sad, it turns around as blues.  
She says she don't watch the tube  
she dreams big, she sleeps and  
whenever she's got something else to do, she takes off her shoes

And she takes a walk in the city  
Look at all the pretty things she sees  
She's a happy lil hippie, nothing's gonna get her down  
She's got a diary for the memories that she'll never read  
She's a happy lil hippie, nothing's gonna get her down  
na na na na na na na na x2

And if you're quiet you can hear her  
singing all alone or dancing in the mirror  
And she says she don't like to party  
with people she don't know, and she likes to let go  
She takes her clothes off, she takes her clothes off on me

And she takes a walk in the city  
Look at all the pretty things she sees  
She's a happy lil hippie, nothing's gonna get her down  
She's got a diary for the memories that she'll never read  
She's a happy lil hippie, nothing's gonna get her down  
na na na na na na na na x2

If you get the chance to meet her  
I just hope you never leave her with a frown.

She says she don't like the news  
it's all bad, it's all sad, it turns around as blues
