

## Heartbeats Accelerating

Cœur de Pirate

Love, love, where can you be?  
Are you out there looking for me?  
Love, love, where can you be?  
Love, I am waiting.  
Heartbeats accelerating.

Will you come when all is still?  
From the river or the hills.  
Love, love, where can you be?  
Love, I am waiting.  
Heartbeats accelerating.

Will you come on a Saturday night?  
Maybe then the time will be right.  
Love, love, where can you be?  
Love, I am waiting.  
Heartbeats accelerating.

When you steal into my room  
What earthly body will you assume?  
Love, love, where can you be?  
Love, I am waiting.  
Heartbeats accelerating.

Will you come on a Saturday night?  
Maybe then the time will be right.  
Love, love, where can you be?  
Love, I am waiting.  
Heartbeats accelerating.

Love, love, where can you be?  
Are you out there looking for me?

Love, I am waiting.
