Time has come to hit the road again  
Hard again, road again  
Circus comes to town to give a show again  
Fun 'til then, hard again  
Thoughts of you, they hit me in the head again  
Hard again, oh now again  
People like to laugh and watch the big top men  
Hard again, oh you know when  
Time has come to hit the road again  
Hard again, road again  
Circus comes to town to give a show again  
Fun 'til then, hard again  
Thoughts of you, they hit me in the head again  
Hard again, oh now again  
People like to laugh and watch the big top men  
Hard again, oh you know when  
Time has come to go  
(Hey hey ha ah ah)  
Hard again  
When it comes you'll know  
(Hey hey ha ah ah)  
Road again  
Hard again  
Road again  
Hard again (fun 'til then)  
Ah you'll know when  
Once again  
Feel I'm getting hard again  
(Fear of broken eyes, never formulise)  
Yet again  
Onward, again yeh  
Onward, again  
Yeah hay  
Yeah hayayay  
Yeah hay  
Yeah hayayay
