

## In Keeping Secrets of Silent Earth: 3

Coheed and Cambria

A broad incision sits across the evening  
The victim to our fathers lost war  
The restless children sit and mourn the graves  
Of those they've never seen before  
Will they be buried here among the dead?  
In the silent secret

The pioneers  
In dealing with it they march for dawn, of Will and worthy  
The truth be told the child was born  
Man your own jackhammer  
Man your battle stations  
We'll have you dead pretty soon  
And now  
Sincerely written from my brother's blood machine  
Man your battle stations  
We'll have you home pretty soon  
And now

Awake through motion with curiosity to curtain your first move  
Over arms length they'll break protocol  
Jealous envy for the youngest one  
To be the hero is all I'll ask  
Can I be buried here among the dead?  
With room to honor me here in the end  
You'll be better off too soon  
You'll be better off when you get home

The pioneers  
In dealing with it they march for dawn, of Will and worthy  
The truth be told the child was born  
Man your own jackhammer  
Man your battle stations  
We'll have you dead pretty soon  
And now  
Sincerely written from my brother's blood machine  
Man your battle stations  
We'll have you home pretty soon  
And now

For you,  
I'd do anything just to make you happy, hear you tell me that you're proud o  
f me  
For them,  
I'll kill anything cut the throats of babies for them break their hearts for  
they were them  
Waiting for you to say: I love you too

The navigator  
The pilot  
Her favorite  
The one they call the vision that bears the gift  
(2x)

Will,  
Do the children really understand the things you did to them?  
And why oh why...

Should they conjure up the will for you my love I would kill him  
we're coming home pretty soon  
Coming home

In the seventh turning hour  
Will the victims shadow fall?  
Should the irony grow hungry?  
With the victory and all they sought for  
We were one among the fence  
One among the fence

We're coming home

Man your own jackhammer  
Man your battle stations  
We'll have you dead pretty soon  
And now  
Sincerely written from my brother's blood machine  
Man your battle stations  
We'll have you home pretty soon
