

Key Entity Extraction I: Domino the Destitute

Coheed and Cambria

La la la, la la la la (4x)

If you had the courage to stop me from turning
Into what would be the worst in everybody's eyes
Hey, I'm no angel, or the devil of your conscience
To tell you who to be. Good, bad, ugly or otherwise
If you had good common sense, your choices would be gleaming flawless
I want no part in this self-deprecating, worthless, chemistry

We made our beds to lie in them proud, proud of our great mistakes
This warring knife, the flash of it's blade, turn about-face

I implore you, brother
Don't walk away, don't walk away from me
'Cause this is our war

Oh, you think they have it all while you were left with nothing
Oh, oh, you've taken the fall for them to walk all over
You made your bed, so soft and comforting
These dreams await the grey good morning

We made our beds to lie in them proud, proud of our great mistakes
This warring knife, the flash of it's blade, turn about-face

I implore you, brother
Don't walk away, don't walk away from me
'Cause this is our war

Oh, we've got you by the throat
Oh!
All you wanna be...

Welcome all to the everlasting all time low
Please put your hands together
For the ever-failing one man show:
Domino!

Ladies
And broken gentlemen,
The undisputed champ
Of misery
-
Oh and in this corner
We find his challenger
The pride of utopia
The greatest thing ever

Oh, oh oh oh oh Ohh oh oh oh
Ha ha haha hahahaha
(2x)

If you could recall one moment of your past that defined you to be
That made you the man we've come to love, all of the above

This disaster binds us absolute
A thousand lies
You tell yourself

That no one ever loved you right
Ooh, but I would do anything for you
The question fits the question mark
Your signals crossed, your message lost!
Haha!

La la la, la la la la! (4x)

This wall won't hold forever
Your time has come, it's now or never

We made our beds to lie in them proud, proud of our great mistakes
This warring knife, the flash of it's blade, turn about-face

I implore you, brother
Don't walk away, don't walk away from me
'Cause' this is our war

One by one, we are together, we fall together!
One by one, we are together, we fall together!

Now my brother
Don't be afraid
We are together, we are together!

Brother!
We are together! We fall together!
