

## Ten Speed (Of God's Blood and Burial)

Coheed and Cambria

I can feel it in the way your blood and heart beats  
My body's cold and it thinks that I'm already gone  
Or is it in the way your body moves  
I'd like to tell you  
But I think that you already know  
The words I drag out from your mouth speak  
So listen up world, listen up world  
In her vision I have given company  
They see no evil in leading their bodies from home

Believer, you'll leave her, in leaving them all  
No but I don't buy it  
Like anything you do, as anyone you are  
Ten Speed, if I must... then I must

Believer, you'll leave her, in leaving them all  
No but I don't buy it  
Like anything you do, as anyone you are

If written wrote me even chance  
And the choice to save you  
I wouldn't answer if it even had to ask  
In her figure I've instilled a taste of my own  
So listen up world, listen up world  
To make it easier to take what life I'm owed  
As the curse has returned from the hell of your  
Heart and your soul

Believer, you'll leave her, in leaving them all  
No but I don't buy it  
Like anything you do, as anyone you are  
Ten Speed, if I must... then I must

Believer, you'll leave her, in leaving them all  
No but I don't buy it  
Like anything you do, as anyone you are

Nobody knows but you  
Nobody knows but you  
'Cause I don't want to ride tonight...  
No I don't want to go  
I don't want to ride tonight...  
Or maybe I don't want to go

"But are you going to kill her off?"  
"It's not your decision. I love the character, she stays."  
"Yeah, well the only thing love's done is put you in this position; I say kill her off!"  
"Yeah, but you say a lot of things... and how does that work? You're a bicycle"

Believer, you'll leave her, in leaving them all  
No but I don't buy it  
Like anything you do, as anyone you are  
Ten Speed, if I must... then I must

Believer, you'll leave her, in leaving them all

No but I don't buy it  
Like anything you do, as anyone you are

Cause I'm...
