

A Cold Cell

Coil

This is apparently an English rendering of a Russian
Convicts' prayer.

O Lord, save my sinful soul
From local punishment
From the far-away zone
From being frisked
From the tall fence
From the severe prosecutor
From the Devil or from the devil owner
From small rations
From dirty water
From steel handcuffs
From hidden obligations
A cold cell
And short haircuts
Save us from the death penalty
Amen
Amen
Amen
