Don't believe A.E.
See for yourself the summer fields
See for yourself the summer fields
Before the tractor comes and wakes you
Before the cereal is sown
Walk along on your own
Don't believe the guidebooks
See the glimmer on a wet stone surface
Be an idiot
Be yourself
Drink the dew
Drink the dew

Don't believe A.E.
See for yourself the summer fields
Seek the advice of the summer fields
Before the tractor comes and wakes you
Before the cereal is sown
Walk along on your own
Don't believe the guidebooks
See the glimmer on a wet stone surface
Be an idiot
Be yourself
Drink the dew
Drink the dew
