Coil

Wise words from the departing  
Eat your greens, especially broccoli  
Remember to say "thank you" for the things you haven't  
had  
By working the soil we cultivate the sky  
We embrace vegetable kingdom  
The death of your father, the death of your mother  
Is something you prepare for  
All your life  
All their life

Those lines are repeated over and over with the  
following variations:

The death of the father and the death of the mother

All your life  
All of your life
