

# Baby, It's Cold Outside

Colbie Caillat

I really can't stay, but baby it's cold outside  
I've got to go away, but baby it's cold outside  
This evening has been, been hoping that you'd drop in  
So very nice, I'll hold your hands, they're just like ice  
My mother will start to worry, beautiful, what's your hurry?  
My father will be pacing the floor,  
Listen to the fireplace roar  
So really I'd better scurry, beautiful, please don't hurry  
Well maybe just a half a drink more  
Put some records on while i pour

The neighbors might think, baby, it's bad out there  
Say, what's in this drink? no cabs to be had out there  
I wish I knew how, your eyes are like starlight  
To break the spell, I'll take your hat, your hair looks swell  
I ought to say no, no, no, sir, mind if I move in closer?  
At least I'm gonna say that I tried  
What's the sense in hurting my pride?  
I really can't stay, baby don't hold out  
Oh, but it's cold outside

I simply must go, but, baby, it's cold outside  
The answer is no, oh, darling, it's cold outside  
This welcome has been, I'm lucky that you dropped in  
So nice and warm, look out the window at that storm  
My sister will be suspicious, gosh, your lips look delicious  
My brother will be there at the door, waves upon a tropical show  
My maiden aunt's mind is vicious,  
Gosh, your lips are delicious  
Maybe I'll just have a drink more,  
Never such a blizzard before

I've got to go home, baby, you'll freeze out there  
Say, will you lend me your coat,  
It's up to your knees out there  
You've really been grand,  
I'm thrilled when you touch my hand  
But don't you see, how can you do this thing to me?  
There's bound to be talk tomorrow, think of my life long sorrow  
At least there will be plenty implied  
If you caught pneumonia and died  
I really can't stay, get over that hold out  
Ohhh, but it's cold outside

I ought to say no, no, no, sir, mind if I move in closer?  
At least I'm gonna say that i tried  
What's the sense in hurting my pride?  
I really can't stay, baby don't hold out  
Oh, but it's cold outside

Oh, but it's cold outside.
