

# Just Like That

Colbie Caillat

I know it's been a while  
And I don't want to do this  
But I've been thinking about how we used to be, yeah  
Looking backward now is on the verge of stupid  
I don't know what I was thinking but I know you put a hold on me  
You stole my heart and you broke in  
Started the flame I'm burning  
You broke me down and I gave in  
Every single time you pull me in you push me out again

Just like that  
You're going for me  
Just like that  
If I had meant anything, you'd had never done me just like that, yes  
I'm on into just like that  
Yes I can breath  
Just like that  
So when you save me  
I think you better run away fast  
Some day, just like that  
Yeah, yeah, yeah, yeah  
I'mma do you just like... yeah yeah  
Cause I'mma do you just like

You say you need to talk  
Because you really miss me oh oh  
I think I'm strong enough  
But who am I kidding?  
You own my heart and you know it  
Fueled in the flame I'm burning  
You break me down and I give in  
Every single time you pull me in you push me out again

Just like that  
You're going for me  
Just like that  
If I had meant anything, you'd had never done me just like that, yes  
I'm on into just like that  
Yes I can breath  
Just like that  
So when you save me  
I think you better run away fast  
Some day, just like that  
Yeah, yeah, yeah, yeah  
I'mma do you just like... yeah yeah  
I'mma do you just like  
Yeah yeah  
Cause I'mma do you just like

I'm feeling much smarter  
Reset  
I'm never gonna fall all over again  
I'm through with this  
Every single time you pull me in you push me out again  
Cause every single time you pull me in you push me out again

Just like that

Just like that  
Just like that  
If I had meant anything, you'd had never done me just like that, yes  
So I'mma do you just like that  
Cause I can't do it just like that  
So when you see me, I think you better run away fast  
Cause I'mma do you just like that  
I'mma do you just like  
I'mma do you just like  
I'mma do you just like that  
I'mma do you just like  
I'mma do you just like  
I'mma do you just like that  
I'mma do you just like that  
I'mma do you just like  
I'mma do you just like  
I'mma do you just like that  
I'mma do you just like  
I'mma do you just like  
I'mma do you just like that  
I'mma do you just like that
