

Runnin' Around

Colbie Caillat

I'm just thinking about that time when I met you
But now I'm thinking about how I can forget you
You had my heart from the start but it faded
I needed space for someone else
I had to leave you just to realize that I miss you
Now I don't know what I did

I'm runnin around baby
I'm runnin around without you baby
I'm runnin around all over town
But I look everywhere and no one compares
Because nothing's as good if I'm without you

I am hoping that you try to forgive me
Maybe we can fall in love again completely
You had my heart don't you ever forget that
I'm coming back for it I promise you
I had to leave you just to realize that I need you
Now I'm changing, I can't take this

Runnin around baby
I'm runnin around without you baby
I'm runnin around all over town
But I look everywhere and no one compares
Because nothing's as good if I'm without you

Do you think that I could have one more try
I promise you that I will always stand by you
Cause I am through with

Runnin around baby
I'm runnin around without you baby
I'm runnin around all over town
But I look everywhere and no one compares
Cause nothing's as good if I am

Runnin around baby
I'm runnin around without you baby
I'm runnin around got my feet on the ground
And I'm missin your face, I'm going insane
Because nothing's as good if I'm without you

I am runnin' around all over town
But I look everywhere and no one compares
Because nothing's as good if I'm without you
