

# Shadow

Colbie Caillat

If you wanna leave then just go  
Cause I can't get no sun in your shadow  
If you aint gonna love me and find me  
Then I'm gonna turn the other cheek and go  
Go, go, go

Cause I've been hangin on the telephone,  
Lines that you always told me  
Now I can't let go  
I believed in them the last time  
You warm me with your words  
But now I'm tired and I'm getting cold  
So cold

If you wanna leave then just go  
Cause I can't get no sun in your shadow  
If you aint gonna love me and find me  
Then I'm gonna turn the other cheek and go  
Go, go, go

Turn the other cheek and go, go, go

Cause every time I push  
You hold me just close enough to keep me here so pull your anch  
or up  
And prepare to show or sail away  
If you wanna leave then just go

Cause I've been hangin on the telephone  
Lines that you always told me  
Now I can't let go  
I believed in them the last time  
You told me you would try  
But boy this is getting old  
So old

If you wanna leave then just go  
Cause I can't get no sun in your shadow  
If you aint gonna love me and find me  
Then I'm gonna turn the other cheek and go, go, go

Turn the other cheek and go, go, go

I'm better off alone  
I'm better off alone
