

# Press Reset

Colby O'Donis

Reset, reset, yeah, reset, reset  
I wanna press reset, reset  
Reset, reset

We, we were so good together  
There was nothing better  
Than you and me at our best  
We let it die, let each other down  
Now I'm still here, and you're not around  
And I just want you back again  
Wanna try again, wanna make it right again  
Flexin, I say we let  
I wanna press reset

Wanna press, wanna press reset  
Wanna get back to when we met  
And erase all the words we've said  
Start all over again  
Want a chance, I just want a chance to  
Get back to, just get back to  
All we used to be  
I wanna press reset, reset  
Yeah reset, reset  
I wanna press reset, reset  
Reset, reset

What we had, it took so long to find it  
Wish we could rewind it  
Start at the very start  
Love will die, when you neglect it  
This time I swear I'll protect it  
Let me back into your heart  
I wanna try again, take us back in time again  
Rebuild the dream that we had  
I wanna press reset,

Wanna press, wanna press reset  
Wanna get back to when we met  
And erase all the words we've said  
Start all over again  
Want a chance, I just want a chance to  
Get back to, just get back to  
All we used to be  
I wanna press reset, reset  
Yeah reset, reset  
I wanna press reset, reset  
Reset, reset

I wish, I could do it over, hold you a little closer, yeah  
Never let you go  
If we could restart it  
Wouldn't be broken hearted

Wanna press, wanna press reset  
Wanna get back to when we met  
And erase all the words we've said  
Start all over again

Want a chance, I just want a chance to  
Get back to, just get back to  
How we used to be  
I wanna press reset, reset  
Yeah reset, reset  
I wanna press reset, reset  
Reset, reset
