Colby O'Donis

She's the one I want (OOooOOooo)  
She's the one I want (OOooOOooo)  
She's the one I want (OOooOOooo)  
She's the one I want (OOooOOooo)

See fly shawties everywhere  
And they be lookin alright  
But I be lookin just waitin for somethin special all night  
Chillin at the bar just sippin on my yak  
Waiting so patiently  
Lil mama where you at  
Can't help myself  
And I'm super picky  
Just like (my dream?) gotta be super sticky  
I like em picture perfect because I know I'm worth it  
When I find her I'm a hold her doooowwn

So many girls  
So little time  
I can't stop, they're all so damn fine  
Just look at them shakin their bodies, I'm going crazy  
And then I seen her, pullin up in a brand new beamer

She's the one  
I like you  
I like you  
But I really want her

She's the one  
I like you, you, and you  
No, I really want she's the one  
I like you, I Like you  
But I really like her she's the one, one, one (OOooOOoo)

Now that I spotted her I'm gettin that fasho(fa sho fa sho)  
Yea I'm gettin that fa sho  
Too bad she hit the floor I'm on it you know  
She backed it up and got me like whoa whoa whoa whoooaa

Can't help myself  
Man this girls a dime  
No, never mind I'm trippin she more like a 25

I like em picture perfect cause I know I'm worth it  
Now I found her I'm a hold her down
