Looking like a choirgirl
She's crying like a refugee
Looking like a choirgirl
She's crying like a refugee
One nurse to hold her
One nurse to wheel her down the corridors of heeling
Well I've been trying
But she's crying like a refugee

Loves me like a sister

Loves me like an only child

Loves me like a sister

She loves me like an only child

She's my connection

I'll hold on

And never, never, never let her down

'Cause she's alone

And she loves me like an only child

Suffer little children Send that little child to me All day the doctor Handles his responsibility

Looking like a choirgirl
Crying like a refugee
Looking like a choirgirl
Crying like a refugee
She's my connection, yeah
I'll hold on
And never, never, never let her down
'Cause she's alone
And she's crying like a refugee

Looking like a choirgirl She's crying like a refugee Looking like a choirgirl She's crying like a refugee Yes she is
