

## Dear Miss Lonelyhearts

Cold War Kids

Wonder why you don't like April?  
Wonder why you hate the spring?  
Wonder why you don't like April?  
Oh why won't you sing?

"My boyfriend he gets around, he does favors for Leo downtown  
They didn't know it would be a set up, cops surround  
That was when we started fighting, that was when I moved out  
That was just the beginning, look at me now"

Oh my poor woman!  
Water is for for fish like air is for men  
You can't fight against the law  
Of good times never call  
On you because the good times never call  
When you're waiting by the phone  
The good times never call  
On you unless you do it too.  
Unless you do it too.  
Unless you do it too...

I have given up explaining sorrow,  
Oh I have given up on my hotel  
I'm up here dancing like a martyr  
But I have given up on casting spells  
Oh I have given  
Miss Lonelyhearts  
Miss Lonelyhearts  
Dear Miss Lonelyhearts

"Miss Lonelyhearts you've got to help me,  
I have tried most everything  
Short of my head in the oven,  
Short of drinking kerosene"

Oh I have given  
I have given  
I have given
