

## Roaches And Rats

Cold World

I'm sorry but I haven't been the same  
Since I've seen the needle in his vein  
Bottom of the barrel  
With the roaches and rats  
And a monkey on his back  
That he just can't crack  
But that's how it goes  
Born knee-deep in apin  
Now it's up to your nose  
You breathe it in  
Inhale the fact that the end  
Will now begin  
I've seen this happen  
In other people's lives  
And now it's happening in mine  
Such a fool, blind to you  
The only one to see through  
It hit me today  
I just called to say  
I went the wrong way
