Everyone came around here
Everyone else got sick
And watched the clock tickin' slowly
Everyone knew the ending
Opened a bag of tricks
And stumbled over their own
They blew minds away
Sort of the cripplin just like thunder
And it's gone today
I'm so happy that it's on

It's the end of the world

Well it's far away
In a hurricane, twisting slowly
Now it's gone today
I'm so happy that it's on

It's the end of the world

My world, my love, my gun

Now I'm all alone Kept the pain inside Wanna torch the world Cause I'm breathin fire

My world, my love, my gun
