I'll be here alone
Bury everything around me
Her destinations unknown
I can't believe how she drowns me
Well I won't deny, it's all the
Little things she said

All alone Searched the world until she found me Her destinations unknown I can't believe how she drowns me

Well I won't deny, it's all the Little things she said

All this talkin' Where's it goin' Take the needle Rewind the show
