

Everything Is Under Control

Coldcut

Get your rock n' roll!
Get it under control.

Right now it's time...
to get up and get what's on!

Weeeeell-
Everything is Under Control!
Get on up!
Aw baby, you got to get down.

That's right,
Everything is Under Control!
I've got to sort,
what's under control!

Television incision on our frontal lobe,
Capitalism: our mind control.
You know Big Brother ain't a TV show!
It's how we roll with what they know.
Reality bites me comfortably,
Inducing you into watching me watching you watching we,
Methodically.
Panoptic sheep stay sleepin', peepin'.

MK Ultra Vulture suckers,
Kool-Aid acid,
Electric pulses,
A bay full of pigs,
and a sky full of Vulcans,
Marylin Manroe swinging with the sultans,
Ain't it somethin'?
Money's pumping.
But it's all in mode with no production,
Murdoch, Potlocks, Top for Consumption.
My talks co-opted for sayin' something!

Well,
Everything is Under Control!
Get on up!
Aw baby, you got to get down!
Everything is Under Control!
I got to sort,
What is Under Control!

Get on up,
Tell me what I said,
'Cause I'm fed up!

Black helicopter,
Knights of Malta,
Illuminati partners,
Tower topplers,
Vatcian tax and the Texas Mafia,
Pentagon packed with Lockheed Martin.
Nafta, Gatt contact with Martians.
Sparkplug jacks with Hitler's offspring.

Dick Chaney on smack for a busted O-ring.

Everything is Under Control!
Everything is Under Control!
Everything is Under Control!
We capture your soul, baby,
It's Under Control!

I said Everything is Under Control!
Aww yeah.

Everything is Under Control!
(repeat until fade)
