

People Hold On

Coldcut

Everybody's looking for a meaning
Everybody's doing their own thing
And nobody's solving the problem
Ain't nobody helping each other

Some people give into fear
Some people give into hunger
Some of us live for the future
And some of us wonder

Givin' into life, givin' into love
Maybe there's enough for everyone
Givin' into hope, and into trust
Maybe there's enough for everyone

People hold on
Don't do yourself wrong
People hold on
We've got to be strong
People hold on

Everybody's getting frustrated
Why should we live with this hatred
We've all dancin' on a thin line
They're makin' out we're having a good time
So who's gonna give us the answer
Sister and brother

Givin' into life, givin' into love
Maybe there's enough for everyone

People hold on, people hold on to it
you know you gotta do it

Givin' into life, givin' into love
Maybe there's enough for everyone
Givin' into hope, and into trust
Maybe there's enough for everyone
