Coldfinger

One, two, three, it's comin' to me  
One, two, three, it's comin' to me  
One, two, three, it's comin' to me  
Three, four, five, took me by surprise

One, two, three, it's comin' to me  
Three, four, five, took me by surprise  
Five, six, seven eight, just a little too late  
Eight, nine, ten, it's comin' to an end now

One, two, three, it's comin' to me  
Three, four, five, took me by surprise

You know it took me by surprise  
Oh... one, two, three,... I'm almost three

One, two, three, it's comin' to me  
Three, four, five, took me by surprise  
Five, six, seven eight, just a little too late  
Eight, nine, ten, it's comin' to an end now

One, two, three, it's comin' to me  
Three, four, five, took me by surprise  
Five, six, seven eight, just a little too late  
Eight, nine, ten, it's comin' to an end now

...Comin' to me...  
...Took me by surprise...  
...Just a little too late...  
Eight, nine, ten, it's comin' to an end now  
...Comin' to an end now  
...Comin' to an end now  
...Comin' to an end now  
...Comin' to an end now
