

# Amazing Day

Coldplay

Sat on a roof  
Named every star  
Shed every bruise and  
Showed every scar

Sat on a roof  
Your hand in mine, singing  
"Life has a beautiful, crazy design"  
And time seemed to say  
"Forget the world and all its weight"  
Here I just wanna say

Amazing day  
Amazing day

Sat on a roof  
Named every star and  
Showed me a place  
Where you can be who you are

And the view  
The whole Milky Way  
In your eyes  
I'm drifting away  
And in your arms  
I just wanna sway

Amazing day  
Amazing day  
Amazing day  
Amazing day

And I asked every book  
Poetry and chime  
"Can there be breaks  
In the chaos of times?"  
Oh, thanks God  
You must've heard when I prayed  
Because now I always  
Want to feel this way

Amazing day  
Amazing day  
Amazing day  
Amazing day
