

Army of One

Coldplay

Been around the world, wonders to view
Been around the world, looking for someone like you
Pyramids try, Babylon too
But the beautiful is treasures life

So I never say die, I'm never untrue
I'm never so high, as when I'm with you
And dance through the fire, that I wanna walk through

My army of one is gonna fight for you
Been around the world, universe too
Been around flying, baby
There's nothing I wouldn't do

Travel the stars, go out to the moon
I'll be standing right beside you right when the storm comes th
rough

Cause I never say die, you know I'm true
I'm never so high, as when I'm with you
And dance through the fire, that I wanna walk through

My army of one is gonna fight for you
My army of one is gonna fall for you, yeah

Cause your eyes
Cause your eyes
Cause your eyes

My army of one is gonna
Say my heart is my gun, army of one
Yeah my heart is my gun, army of one
It's my only weapon, army of one
Say my heart is my gun, army of one
