

# Careful Where You Stand

Coldplay

1. I feel safe, I feel warm when you're, here,  
When I do no wrong,  
I am cured, when I'm by your side.  
I'm alright, alright.

2. I am safe, when I am with you,  
And I feel warm, if you want me to,  
I am cured, when I'm by your side.  
I'm alright.

R: Careful where you stand,  
Careful where you lay your head.  
It's true we're always looking out for one another.

3. I feel safe, when I am with you,  
I feel warm, when you want me to,  
I am cured when you are around.  
I'm alright.

R: Careful where you stand...

So I like a quiet time please,  
Yeah, I like a quiet time.

Careful where you stand,  
Now, careful where you stand  
oh oh oh oh, oh oh oh oh, oh oh oh oh oh  
careful where you stand, and careful where you stand  
oh oh oh oh oh oh
