

# Fun

Coldplay

I know it's over before she says  
I know that falls that the waters face  
I know it's over, an ocean awaits  
For a storm

The sun on snow, rivers in rain  
Crystal ball can foresee a change  
And I know it's over, a parting of ways  
And it's done

But didn't we have fun?  
Don't say it was all a waste  
Didn't we have fun?

From the top of the world, the top of the waves  
You said forever, forever always  
Could've been lost, would've been saved

Now we're stopping the world, stopping the spin  
Come on don't give up and say we give in  
Don't say it's over, don't say we're done  
Oh, didn't we have fun?

Oh, didn't we have fun?

I know it's over before she says  
Now someone else has taken your place  
I know it's over, Icarus says to the sun

The salt sinks in, lightning strikes  
When two forces, two forces collide  
The fighting is over, fighting is done  
Oh, didn't we have fun?

Don't say it was all a waste  
Didn't we have fun?

From the top of the world, the top of the waves  
You said forever, forever always  
We could've been lost, we would've been saved

Now we're stopping the world, stop it in it's tracks  
Nothing's too broken to find a way back  
So before it's over, before you run  
Didn't we have fun?

Cause you and me, we were always meant to, always meant to be  
We were always meant to, always meant to  
You and me, we were always meant to, always meant to be

Oh, didn't we have fun?  
Oh, didn't we have fun?  
But then, maybe we could again
