Honey you are a rock Upon which I stand And I come here to talk I hope you understand

R: The green eyes
Yeah the spotlight
Shines upon you
How could
Deny you?

I came here with a load
And it feels so much lighter
Now I've met you
And honey you should know
That I could never go home
Without you
Green eyes

Honey you are the sea Upon which I float And I came here to talk I think you should know

The green eyes
You're the one that
I wanted to find
Anyone who
Tried to deny you
Must be out of their mi--nd

'cause I came here with a load
And it feels so much lighter
Since I've met you
And honey you should know
That I could never go home
Without you
Green eyes

Green eyes ohohohoh Ohohohoh Ohohohoh

Honey you are a rock Upon which I stand...
