

Life In Technicolor II

Coldplay

1. There's a wild wind blowing,
Down the corner of my street
Every night there the headlights are glowing
Theres a cold war coming,
On the radio I heard
Baby it's a violent world

R1: Oh love don't let me go
Won't you take me where the streetlights glow
I could hear it coming
I could hear the sirens sound
Now my feet won't touch the ground

2. Time came a- creepin'
Oh and time's a loaded gun
Every road is a ray of light
It goes o-o-o -on
Time only can lead you on
Still it's such a beautiful night

R2: Oh love don't let me go
Won't you take me where the streetlights glow
I could hear it coming
Like a serenade of sound
Now my feet won't touch the ground

3. Gravity re lease me,
And dont ever hold me down
Now my feet won't touch the ground
