

Low

Coldplay

You see the world in black and white
No colour or light
You think you'll never get it right
But you're wrong... You might

The sky could fall, could fall on me
They're passing on the seas
But you need more, need more to me
Than any colour I can see

All you ever wanted was love
But you never looked hard enough
It's never gonna give itself up

All you ever wanted to be
Living in perfect symmetry
Nothing is as down or old as us
As us

You see the world in black and white
Not painted right
You see no meaning to your life
Yes you try
Yes you try

And all you ever wanted was love
But you never looked hard enough
It's never gonna give itself up

All you ever wanted to be
Living in perfect symmetry
Nothing is as down or old as us

And don't you wanna see it come soon
Floating in a big white balloon
Given on your own silver spoon

Don't you wanna see it come down
Death is throwing your arms around
Say it in a moment too soon

'Cause I feel low
'Cause I feel low
Ohhhhhhhhhhh
Yeah I feel low
Oh no
Ohhhhhhhhhhh

Ohhhhhhhhhhh

'Cause I feel low
Ahhhhhhhhhh
'Cause I feel low
Ahhhhhhhhhh
But I feel low
Oh no
Ohhhhhhhhhhh
