

# Major Minus

Coldplay

They got one eye watching you  
One eye, what you do?  
So be careful who it is you're talking to

They got one eye watching you  
One eye, what you do?  
So be careful what it is you're tryin' (to) do

And be careful (...) walk with you  
And be careful when you're walking into view

Ooh-ooh-oooh  
Ooh-ooh-oooh-oooh

Got one eye on the road and one on you

Ooh-ooh-oooh  
Ooh-ooh-oooh-oooh

Got one eye on the road and one on you

They got one eye watching you  
And one eye, what you do?  
So be careful 'cause my friend, this is true

Bu-do-do-don't believe a word  
It's just us against the world  
And we just gotta turn into the herd

I hear those crocodiles ticking 'round the world  
I hear those crocodiles ticking, you go ticking 'round the world

Ooh-ooh-oooh  
Ooh-ooh-oooh-oooh

Got one eye on the road and one on you

Ooh-ooh-oooh  
Ooh-ooh-oooh-oooh

Got one eye on the road and hey!

Here I'm climbing the stairs  
I got my left side by you on the left  
Tryin' too much

Ooh-ooh-oooh  
Ooh-ooh-oooh-oooh

Got one eye on the road and one on you

Ooh-ooh-oooh  
Ooh-ooh-oooh-oooh

Got one eye on the road and one on you
