

Moses

Coldplay

1. Come on now, don't you want to see
This thing that's happening to me
Like moses has power over sea
So you've got power over me

2. Come on now don't you want to know
You're a refuge, somewhere I can go
You're air that, air that I can breathe
You're my golden opportunity

R: And oh, oh yes I would
If I only could
And you know I would
And baby I, oh baby I
I wish

3. Come on now, don't you want to see
just what a difference you've made in me
I'll be waiting oh no matter what you say
cause I've been waiting for days and days and days

R: And oh, oh yes I would
If I only could
And you know I would
And baby I, oh baby I
I wish
i wish

*: Oh, oh, oh
Oh, oh, oh
If the sky's gonna fall down let it fall on me
If you're gonna break down you can break on me
If the sky's gonna fall down let it fall on me
If it's gonna rain down it can rain on me
It can rain on me
