

# Paradise

Coldplay

When she was just a girl  
She expected the world  
But it flew away from her reach  
So she ran away in her sleep  
And dreamed of para-para-paradise  
Para-para-paradise  
Para-para-paradise  
Every time she closed her eyes

When she was just a girl  
She expected the world  
But it flew away from her reach  
And the bullets catch in her teeth  
Life goes on and gets so heavy  
Wheel breaks all the butterflies (lyrics?)  
Every tear a waterfall  
In the night the stormy night she close her eyes  
In the night the stormy night away she flies  
And dream of para-para-paradise  
Para-para-paradise  
Para-para-paradise  
Oh oh ohhh oh ohhh oh ohh ohh  
Para-para-paradise  
Para-para-paradise  
Para-para-paradise  
Oh oh oh oh ohhh oh oh oh

So lying underneath those stormy skies  
She said oh I know the sun will set tonight  
This could be para-para-paradise  
Para-para-paradise  
This could be para-para-paradise  
oh oh ohhh oh ohhhhh oh oh oh  
This could be para-para-paradise  
Para-para-paradise  
This could be para-para-paradise  
oh oh oh oh ohhhhh oh oh oh

This could be para-para-paradise  
Para-para-paradise  
This could be para-para-paradise  
oh oh oh oh ohhhhh oh oh oh
