

1. Look at earth from outer space  
everyone must find a place  
give me time and give me space  
give me real, don't give me fake  
give me strength, reserve, control  
give me heart and give me soul  
give me time, give us a kiss  
tell me you're a politik

R: Open up your eyes open up your eyes  
open up your eyes open up your eyes

2. Give me one, cos one is best  
In confusion confidence  
give me peace of mind and trust  
don't forget the rest of us  
give me strength, reserve, control  
give me heart and give me soul  
Wars that heal and cracks that fix  
tell me you're a politik

R: Open up your eyes...  
Just open up your eyes

\*: But give me love over, love over, love over this ...our love  
But give me love over, love over, love over this ...our love
