

## Rainy Day

Coldplay

Then there was rain  
The sky wore a veil of gold and green  
At night it was the bright of the moon with me  
Time is just floating away

Then there was rain  
The sound foundations are crumbling  
Through the ground comes a bit of a-tumbling  
And time was just floating away  
We can watch it and stay  
And we can listen

Oh rainy day, come 'round  
Sometimes i just want it to slow down  
And we're separated now, i'm down  
But i love when you come over to the house  
I love it when you come 'round to my house
