

Rainy Day

Coldplay

Then there was rain
The sky wore a veil of gold and green
At night it was the bright of the moon with me
Time is just floating away

Then there was rain
The sound foundations are crumbling
Through the ground comes a bit of a-tumbling
And time was just floating away
We can watch it and stay
And we can listen

Oh rainy day, come 'round
Sometimes i just want it to slow down
And we're separated now, i'm down
But i love when you come over to the house
I love it when you come 'round to my house
