You're in control
is there anywhere you wanna go
you're in control
is there anything you wanna know
the future's for discovering
the space in which you travel in

From the top of your first page
to the end of the last page
from the start in your own way
you just want
somebody listening to what you say
it doesn't matter who you are
it doesn't matter who you are

(...)

(...)

I said I'm on the top, I can't get back
whoa whoa whoah
whoa whoa whoah

The first line in your first page
to the end of the last page
that you (...)
from the start in your own way
you just want
somebody listening to what you say
it doesn't matter who you are
it doesn't matter who you are

You just want
somebody listening to what you say
oh, you just want
somebody listening to what you say
it doesn't matter who you are
it doesn't matter who you are

Is there anybody out there who
is lost and hurt and lonely too
they're bleeding all the colors into one
and a few come undone
as if you've been run through
some catapult who fired you
you wonder if your chance will ever come
or if you're stuck in square one
