

Trouble

Coldplay

Oh no, I see a spiderweb is tangled up with me,
And I lost my head, and thought of all the stupid things I said

Oh no, what's this? A spiderweb and I'm caught in the middle
And I turned to run, I thought of all the stupid things I've done

And ah, I never meant to cause you trouble,
Ah, I never meant to do you wrong
Ah, if I ever caused you trouble
Then oh no I never meant to do you harm.

Oh no, I see, a spiderweb and its me in the middle
So I twist and turn, but here I am in my little bubble

Singing out, ah I never meant to cause you trouble,
Ah, I never meant to do you wrong
Ah, if I ever caused you trouble
And ah, I never meant to do you harm

And they spun a web for me,
And they spun a web for me,
And they spun a web for me...
