

Up With The Birds

Coldplay

The birds they sang
At break of day
Start again I hear them say
It's so hard to just walk away

The birds they sang
All the choir
Start again, a little higher
It's a spark in a sea of grey

The sky is blue
Dreamed out loud till it's true
Then taken back apart shine through
My arms turn wings
Oh those clumsy things
Send me up to that wonderful world
And then I'm Up With The Birds

Might have to go
Where they don't know my name
Float all over the world
Just to see her again
And I won't show a fear, any pain
Even though all my armor might rust in the rain

A simple plot
But I know one thing
Good things are coming our way

A simple plot
But I know one thing
Good things are coming our way

Oh yeah
