Coldplay

Trying hard to speak and Fighting with my weak hand Driven to distraction So part of the plan When something is broken And you try to fix it Trying to repair it Any way you can I'm diving off the deep end You become my best friend I wanna love you But I don't know if I can I know something is broken And I'm trying to fix it Trying to repair it Any way I can

Ooh ooh ooh ooh ooh...

You and me are floating on a tidal wave...
Together
You and me are drifting into outer space...
And singing

Ooh ooh ooh ooh ooh...

You and me are floating on a tidal wave...
Together
You and me are drifting into outer space
You and me are floating on a tidal wave...
Together
You and me are drifting into outer space...
And singing

Ooh ooh ooh ooh ooh...
